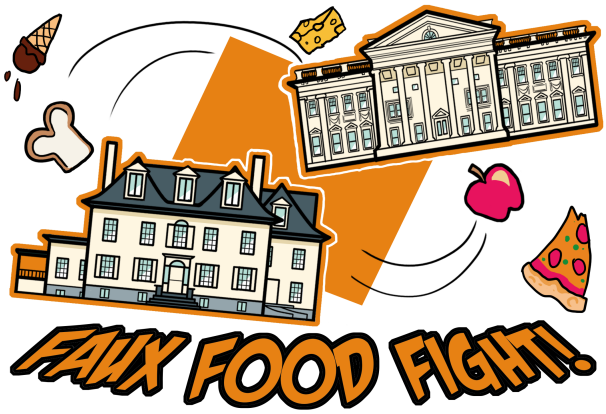
Faux Food Fight!

A Fake Food Culinary Concoction Contest for Kids



Presented by Clermont and Staatsburgh State Historic Sites

NEW YORK STATE OF OPPORTUNITY. | Parks, Recreation and Historic Preservation

We are excited that you're going to enter our contest and make a "faux food" culinary concoction! The goal of this contest is to have fun and be as imaginative as you want to be. You can make something that people could actually eat, something you and your family would LOVE to eat, or even something your family would never let you eat in real life!

You can make your faux (fake) culinary creation using any medium you want: drawing, painting, sculpture, photo … you name it! Just send us a cool picture of your masterpiece, and fill out the form below, to enter the contest. We can't wait to see your creation!

All entries must be received by August 1. One entry per child

1. Fill out this entry form and save it to your computer as a PDF
2. Attach this form, with one or more pictures of your culinary creation, to an email addressed to: Emily.Robinson@parks.ny.gov. Please have photos in the form of .jpg, .jpeg, .tiff, .bmp, or .pdf.
3. If you would like to, and your parent or guardian approves, we would love to have a picture of you, or you and your family, with your culinary creation!
4. You will receive an email acknowledgement that your entry has been received.

If you encounter technical difficulties or have a question about the contest, feel free to email Emily at the email address listed above, or call the sites.
